

What We Offer

While different for each visitor, the retreat experience often includes personal reflection, silence and time in nature, spiritual guidance, creative expression, massage, and other healing work.

In the quiet, serene atmosphere of Spirit Mountain Retreat you begin to relax and come home to the natural world and your place in it. This is a time to deepen awareness and consciousness of the Divine Presence permeating all of life. Through practices such as meditation, dream work, music, art and journaling, you may come to a greater appreciation of your soul's journey, honoring it with compassion and gentleness.
